

VENTENY

BUSINESS ACCELERATION AND EMPLOYEE HAPPINESS

Challenges over Industries

The implementation of COVID-19 Protocols

- Reducing the numbers on site customer due to restriction
- Cashless Payment is enforced

Maintaining Customer Loyalty

To make your customers loyal, you need to approach them personally.

Improving Staff / Employees Performance

The needs of training to optimize their competence

Keeping up with the latest technology

Need to enter Omni Channel Marketing

The Needs of supporting system for operational system

Challenges in Capital Availability

- SME has limited access to capital
- Longer with complicated procedure to get financial access

Southeast Asia offers huge market opportunities. It is proven by the report from Asia Development Bank that the economic growth in Southeast Asia is expected at 5%.

To compete in the market, SME needs a very strong capital. Otherwise, they will lose the opportunity

Key Essentials for the Post Covid Era?

Key Essentials

Companies

Multiple Access to Capital

- Limited access to capital
- Lack of credit
- Long and complicated process

Good Employee Engagement

- High turn over rate
- Lack of skilled labor force
- Lack of digital literacy
- Limited access and budget for employee benefits programs:

Employees

Financial Challenge

Limited access to good financial service especially in emergency

Work Life Balance

- Desire to create better working environment
- Lack of incentives from companies for work-life balance

Family Safety

Lack of assurance to cover unexpected accidents at work

Inadequate Training Opportunities

Lack of opportunities inhibits employees achieving full potential
